

Frontier Lodge is a Christian Youth Camp. Our mission at Frontier Lodge is to communicate the loving grace and salvation of Jesus Christ to children, youth and adults , to help them experience that grace for themselves and to help those that have experienced it grow in their faith. Our goals are to help those who come to camp either as campers or staff to grow in their spirit, their mind and their body. These goals and our mission are reflected in everything we do from activities and programs to cabin life and relationships. We believe our staff should reflect these things in their daily lives this includes how they interact with campers and one another, what they say, what they do and even what they wear. What an awesome responsibility and a challenging way of life for the few weeks that you will be at camp. However if you are willing to pick up that challenge be prepared to grow, to develop and to learn about yourself, others and Jesus Christ.

Frontier Lodge has its roots in the Brethren Assemblies but is a non denominational camp with Christian believers from many different churches and different backgrounds. WE believe that in the essential beliefs of the Christian faith their should be unity, in the non-essentials liberty and in all things charity.

The Essentials

- We believe in the God the Father, God the Son and God the Holy Spirit
- We believe Jesus Christ, wholly God and wholly man, who was born, was crucified, dead and buried he rose from the dead and ascended into Heaven. We believe that he was sinless but suffered and died for our sins so that we might gain eternal life.
- We believe in the Holy Spirit , indwelling in all believers
- We believe in the church, the body of Christ made up of all true believers
- We believe that the Bible is God's inspired word and our final authority and guide in faith and practice.

I am in agreement with points outlined above:
